

FORMIC ACID (85 %)

Test Item	Index			Measured Result	Single Decision
	Superior Product	First Grade Goods	Qualified Product		
Appearance	Colorless Transparent Liquid, No Suspended Matter				Superior Product
Formic Acid , w % \geq	85.0			85.8	Superior Product
Chroma / Haze Unit (Pt - Co Color Number) \leq	10	20	30	3	Superior Product
Dilution Test (Sample + Water = 1 +3)	Non – Turbidity	Pass The Test		Non – Turbidity	Superior Product
Chloride (Cl) , w % \leq	0.002	0.004	0.006	0.0001	Superior Product
Sulfate (SO4) , w % \leq	0.001	0.002	0.020	0.0002	Superior Product
Iron (in Fe) , w % \leq	0.0001	0.0004	0.0006	0.0001	Superior Product
Evaporation (Residue) , w % \leq	0.006	0.020	0.060	0.002	Superior Product

Application

Formic acid has a wide range of uses : in leather tanning , as a decalcifier and cleaning product , as a chemical reducing agent , as a preservative in animal feeds , and for manufacturing its salts and esters .
